

# BE LIFTED HIGH

Written by Julia Damazio, Todd Mendez & Austin Sandquist Original Key: Db, BPM: 72

## VERSE 1

**1**  
It's for love that you came down  
**6**  
Meek and lowly you wore no crown  
**4**  
How could the king of all kings  
**5**  
Trade all his glory for shame?

## VERSE 2

Pain and suffering you endured,  
Body broken, your blood was poured  
Jesus the Lamb that was slain,  
our fountain of mercy and grace

## CHORUS

**1**  
Be lifted high  
**5**  
Be glorified  
**6**  
You are holy  
**4**  
You are holy

## VERSE 3

Not abandoned to the grave  
Purchased freedom no longer a slave  
Because of the work of the cross  
We are made free by the blood

## VERSE 4

Now you're seated on heavens throne  
Paid the price, redeemed us home  
The scars on your hands and feet  
Are now on a risen king

## INTERLUDE: 1 5 6 4

## BRIDGE

**1**  
You are crowned with glory, crowned with honor  
**5**  
Crowned with beauty, wisdom and power  
**6** **4**  
Holy, you are holy

**1**  
You are God almighty, God our provider  
**5**  
King of glory, above all others  
**6** **4**  
Holy, you are holy

## ENDING REPRISE

**1**  
Now you're seated, above the heavens  
**5**  
All creation, bows down before you  
**6** **4**  
With the angels, we will declare, you are holy
