Written by Julia Damazio, Austin Sandquist, & Jakob Haymond, Original Key: C, BPM: 80

## VERSE 1

6  
When darkness surrounds me  
4  
And enemies rise  
6  
When my tears have no number  
4  
From all that I've cried  
5  
Let your mercy renew me  
4  
Let your word be my guide  
5  
Come Holy Spirit  
2m  
Bring these dry bones to life

## CHORUS

4  
You are my hiding place  
6 5  
I'm sheltered in your presence  
4  
When I can't see your face  
6 5  
Lead me by your spirit  
3m  
You're not done with me yet  
4  
You're still writing my story  
5  
My future is in your hands  
2m  
Let this be for your glory

## VERSE 2

When all that I'm seeing says you're nowhere near  
When all that I'm hearing  
Is wrapped up in fear  
Make me strong and courageous  
Show me I'm not alone  
For I know every battle is won by the lord

## BRIDGE 1

6 5  
If you saved back then, You're a savior now  
2m 4  
If you healed back then, You're a healer now  
6 5  
If you calmed the waves, if you split the sea  
2m 4  
If you healed the blind give me eyes to see

## REFRAIN

6 5  
I'm not alone, You're here with me  
2m  
You're still doing miracles,  
4  
You're still fighting for me

## INTERLUDE: 6 5 4 5

## BRIDGE 2

6  
Walk by faith for your glory  
5  
Not by sight for your glory  
4  
Every step for your glory  
5  
Every breath for your glory  
6  
All my cares for your glory  
5 (Alt 5/7)  
All my pain for your glory  
4 (Alt 2m)  
All my tears for your glory  
4  
All my life for your glory
