

THE GARDENER'S HANDS

Written by Julia Damazio, Original Key: F, BPM: 71

INTRO: 1 1/3 4 4 (x4)

VERSE 1:

1 4
I've heard your love is strong,
1/3 4
But you haven't seen the mess I've made
1 4 1/3 4
The roads we used to walk along, are devastated
1 4
I've heard you called the gardener,
1/3 4
But what could you do in a desert place?
1 4 1/3 4
Where the river once was flowing, it's all dried up

PRE-CHORUS:

6 5 4
But I hear your voice
6 5 4
And I'm back again
6 5 4
Talking to the gardener,
6 5 4
Walking hand in hand

CHORUS:

1 4
From gardens to ruins
1
Your love remains the same
4
Uncovered or hidden
1
You ask me where I am
4 1/3
Time after time, You find me again
4 1
Help me stay in the gardener's hands

INSTRUMENTAL: 1 1/3 4 4

VERSE 2:

I heard you said I was forgiven
As I poured my tears right at your feet
I anointed heavens offering, the perfect lamb
I heard you crying in the garden,
You asked the father to remove this cup
Into the hands of your betrayers you were given up

PRE-CHORUS:

Then I hear your voice and I'm back again
Talking to the gardener, walking hand in hand

VERSE 3:

I heard them pierce your hands and feet
A crown of thorns they placed upon your head
The son of heaven in agony, to die for me
I heard you shouted it is finished
The tree of life and death now reconciled
1 4
I went to see your buried body
5* 4
But the stone was rolled away

REFRAIN 1:

1/3
So I asked the gardener
4
Where have you taken my Lord
1/3
So I asked the gardener,
4
Where have you taken my Lord
1/3
So I asked the gardener,
4
Where have you taken my Lord
5
So I asked the gardener

PRE-CHORUS 2:

 1/3 4
Then I hear your voice
 1/3 4
And I'm back again
 1/3 4
Talking to the gardener,
 5 4
Walking hand in hand

1 4 1/3
From gardens to ruins, Your love remains the same

Time after time, You find me again
