

BE LIFTED HIGH

Written by Julia Damazio, Todd Mendez & Austin Sandquist Original Key: Db, BPM: 72

VERSE 1

It's for love that you came down
Meek and lowly you wore no crown
How could the king of all kings
Trade all his glory for shame?

VERSE 2

Pain and suffering you endured,
Body broken, your blood was poured
Jesus the Lamb that was slain,
our fountain of mercy and grace

CHORUS

Be lifted high
Be glorified
You are holy
You are holy

VERSE 3

Not abandoned to the grave
Purchased freedom no longer a slave
Because of the work of the cross
We are made free by the blood

VERSE 4

Now you're seated on heavens throne
Paid the price, redeemed us home
The scars on your hands and feet
Are now on a risen king

BRIDGE

You are crowned with glory, crowned with honor
Crowned with beauty, wisdom and power
Holy, you are holy

You are God almighty, God our provider
King of glory, above all others
Holy, you are holy

ENDING REPRISE

Now you're seated, above the heavens
All creation, bows down before you
With the angels, we will declare, you are holy
